Profile

Web Developer specializing in Shopify, Salla, Zid, and WordPress with strong skills in HTML, CSS, and JavaScript. Experienced in building responsive, user-friendly websites and contributing to live client projects. Passionate about learning new technologies and creating high-quality web solutions.

Education

Bachelor of Information Technology (In Progress) at Faculty of Arts, Tanta University, Tanta, Egypt **October 2025 - Present**

Currently pursuing a Bachelor's degree in Information Technology with a focus on web development, programming fundamentals, information systems, databases, software engineering, and responsive web technologies. Gaining practical experience through real-world web development projects using Shopify, Salla, Zid, WordPress, HTML, CSS, and JavaScript.

Experience

Web Developer at [ECO Performance Marketing](#), Tanta, Egypt **November 2025 - Present**

Develop and customize eCommerce websites using Shopify, Salla, Zid, and WordPress. Build responsive web pages with HTML5, CSS3, and JavaScript. Customize themes, improve user interfaces, optimize mobile responsiveness, and implement client requirements. Use AI-assisted development tools to improve productivity and code quality.

- Delivered multiple live eCommerce websites on Shopify, Salla, and Zid.
- Improved website responsiveness and user experience across desktop and mobile devices.
- Customized themes and layouts based on client requirements.
- Contributed to maintaining and enhancing the company website.

Skills

Front-End Development: Developed responsive and user-friendly web interfaces using HTML5, CSS3, and JavaScript.

Shopify Development: Customized Shopify themes, improved storefront layouts, optimized responsive design, and implemented client requirements.

WordPress: Modified and customized WordPress websites, improved layouts, and enhanced responsiveness.
